ROAD WORKS ADVISORY

SATURDAY, OCTOBER 18, 2014

AND

MONDAY, OCTOBER 20, 2014 TO WEDNESDAY, OCTOBER 22, 2014

(OLD) ISLAND HIGHWAY

FROM BURNETT ROAD TO JEDBURGH ROAD

Please be advised that the Town of View Royal will be carrying out pavement rehabilitation on the (Old) Island Highway between Burnett Road and Jedburgh Road. The contractor carrying out this paving project for the Town is Capital City Paving Ltd.

The paving will commence on Saturday, October 18, 2014, weather permitting. There will be single lane alternating traffic at this location, from approximately 8:00 AM to 7:00 PM.

Work will continue on Monday, October 20, 2014 through to Wednesday, October 22, 2014, from 9:00 AM to 3:00 PM, weather dependent.

If weather is unfavourable for paving on any of these days, work will be rescheduled to the next favourable workday.

Traffic control persons will be situated in the work zone to assist pedestrians, cyclists and nearby residences with access and egress. Emergency vehicles will be treated with utmost priority and will have immediate access as required. We recommend the use of alternate routes if at all possible.

Temporary lane lines will be put in place until the paving is completed and permanent pavement markings are installed, so extra caution when travelling in this area is advised.

If you have any questions or concerns regarding the above, please contact Capital City Paving Ltd. at (250) 652-3626, or the Town's Engineering Department at (250) 479-6800.

The Town of View Royal appreciates your patience when travelling in this area during this project period.
