ROAD WORKS ADVISORY

MONDAY, AUGUST 8th, 2016
TO
FRIDAY, AUGUST 12th, 2016

HELMCKEN ROAD AT BURNSIDE ROAD WEST

Please be advised that the Town will be replacing the southern traffic island at the intersection of Helmcken Road and Burnside Road West, as well as carrying out pavement repair on both roads in the area, from Monday, August 8th through to Friday, August 12th, 2016. Hours of construction will be from 8:00AM to 3:00PM daily, weather dependent.

The designated right turn lane from Helmcken Road northbound to Burnside Road West eastbound will be closed to traffic during these hours, so an alternate route, such as via Interurban Road, will be required. Two-way through traffic will be maintained on Helmcken Road and Burnside Road West for the majority of the construction period with temporary lane delineation and Traffic Control Persons.

Emergency vehicles will be treated with utmost priority and will have immediate access as required. Traffic Control Persons will be situated in the work zone to assist pedestrians and cyclists.

We ask that you use caution when travelling through the work zone and recommend the use of alternate routes if at all possible.

If you have any questions or concerns regarding the above, please contact the Town's Engineering Department at (250) 479-6800.
