ROAD WORKS ADVISORY

THURSDAY, SEPTEMBER 8th, 2016

ISLAND HIGHWAY AT ADMIRALS ROAD

Please be advised that the Town will be carrying electrical works on the south side of Island Highway at, and west of, the Admirals Road intersection on Thursday, September 7th, 2016. Hours of construction will be from 9:00AM to 3:00PM.

The designated right turn lane for traffic travelling on Island Highway eastbound, which starts near the access to Canadian Tire and exits to Admirals Road southbound, will be closed to traffic during these hours; however traffic will be allowed to turn right from Island Highway onto Admirals Road from the right hand through lane with assistance from Traffic Control Persons.

There will be only minimal traffic disruption for eastbound through traffic on Island Highway west of the intersection.

Emergency vehicles will be treated with utmost priority and will have immediate access as required. Traffic Control Persons will be situated in the work zone to assist pedestrians and cyclists.

We ask that you lower your speed and use caution when travelling past the work zone.

If you have any questions or concerns regarding the above, please contact the Town's Engineering Department at (250) 479-6800.
