AN APPLICATION TO
THE BOARD OF VARIANCE

RE: APPLICATION TO THE BOARD OF VARIANCE – 24 Vickery Rd

The Local Government Act provides for the establishment of a Board of Variance to consider applications by anyone alleging that enforcement of zoning requirements respecting siting, shape, or size of a building or structure would cause him or her undue hardship. The Board of Variance may authorize a minor variance from the applicable provisions of the Land Use Bylaw, provided that such a variance is considered desirable for the appropriate development of the site, does not adversely affect the natural environment, does not substantially affect the use and enjoyment of adjacent land, maintains the general intent of the Bylaw, and does not vary permitted uses or density of land.

The applicant, Anna Becker, has made application to the Board of Variance to request a variance for the property having a civic address of **24 Vickery Rd** and more particularly described as:

LOT 5, SECTION 91, ESQUIMALT DISTRICT, PLAN 6076, EXCEPT PARTS IN PLANS 14139 AND 3768 RW

as shown boldly outlined on the map on the reverse side of this Notice.

The applicant is requesting relaxation of the following regulation contained in the Accessory Buildings and Other Structures regulation in Section 4.6.2.c within Zoning Bylaw No. 900, 2014:

- **Variance to permit accessory building within the front yard**

The purpose of the proposed variance is to permit a detached garage in the front yard.

NOTE: This application is returning from the October 12, 2016 meeting where the application was tabled until the third member of the Board could be present.

The Board will be meeting at **7:00 pm on Wednesday, November 16, 2016** at the View Royal Town Hall (located at 45 View Royal Avenue, Victoria, BC, V9B 1A6) to consider the subject application.
