NOTICE OF PROCESSING AN APPLICATION TO THE BOARD OF VARIANCE

RE: APPLICATION TO THE BOARD OF VARIANCE – 1954 Riverside Drive

The Local Government Act provides for the establishment of a Board of Variance to consider applications by anyone alleging that enforcement of zoning requirements respecting siting, shape, or size of a building or structure would cause him or her undue hardship. The Board of Variance may authorize a minor variance from the applicable provisions of the Land Use Bylaw, provided that such a variance is considered desirable for the appropriate development of the site, does not adversely affect the natural environment, does not substantially affect the use and enjoyment of adjacent land, maintains the general intent of the Bylaw, and does not vary permitted uses or density of land.

The applicant, C & V Reser, have made application to the Board of Variance to request variances for the property having a civic address of 1954 Riverside Drive and more particularly described as Lot 2, Section 1, Esquimalt District, Plan 64-30 as shown and duly outlined on the map on the reverse side of this Notice.

The applicant is requesting relaxation of the following regulation contained in the Detached Residential (Medium Lot Lot): R-1B Zone Table of Zoning Bylaw No.900, 2016:

variance to the minimum setback to a lot line for accessory buildings from 1.2m to 1.1m

variance to the minimum distance between an accessory building and a principal building from 3.0 metres (9.8 feet) to 0.4 metres (1.5 feet).

The purpose of the proposed variances is to allow an accessory building to be sited in the side yard.

The Board will be meeting at **7:00 p.m. on Wednesday, November 13, 2019** at the View Royal Town Hall (located at 45 View Royal Avenue, Victoria, BC, V9B 1A6) to consider the subject application. If you have any representations to make, the Board would be pleased to consider them at that time. Written comments must be received by 3:30 pm. on Wednesday, November 13, 2019.
