HELMCKEN ROAD

Please be advised that Capital City Paving will be completing milling and paving work on **Helmcken Road between Pheasant Lane and Werra Road** on August 24th & 25th. Following this work, high visibility line markings will be installed on **Helmcken Road between Pheasant Lane and Vickery Road**.

Flaggers will be on site to direct and re-route detoured traffic. Traffic will be affected as follows:

- August 24th – 9:00am-4:00pm (Road Milling)
- August 25th – 7:00pm-12:00am (Road Paving)
- August 26th – 12:00am-6:00am (Road Paving)
- August 27th – 9:00am-3:00pm (Line Marking Installation)

Expect major delays. Use of an alternate route is recommended as flaggers will be directing single-lane alternating traffic, as well as re-routing detoured vehicles at times.

We ask that you lower your speed and use caution when travelling through the work zone.
