SANDBAG STATION - TOWN OF VIEW ROYAL RESIDENTS

In preparation for another round of heavy rain, the Town has set up a temporary “build-a-sandbag” station at Helmcken Centennial Park, located at 150 Helmcken Road.

If you are a resident of the Town of View Royal, please help yourself to supplies, being mindful to take only what you need.

If supplies run out, please contact the Engineering & Parks Department at 250-708-2258
