TRAFFIC ADVISORY

Tour de Victoria Cycling Event

August 19th, 2023
7:00am – 11:00am

Please be advised that the annual Ryder Hesjedal Tour de Victoria cycling event will take place on Saturday, August 19th. Event participants will pass through the Town of View Royal along Island Hwy, Atkins Rd and Burnside Rd W between 7:00am and 11:00am.

Traffic marshals will be stationed along the route to direct cyclists and motorists.

Minimal delays:

1. Traffic may be stopped at times to allow for waves of cyclists to pass through safely.
2. The intersection of Burnside Road West and Watkiss Way will be temporarily adjusted to a flashing red, 4-way stop configuration to accommodate event cyclists.

Emergency vehicles will be treated with utmost priority and will have immediate access as required. We ask that you lower your speed and use caution when travelling through the event areas.

If you have any questions or concerns regarding the above, please contact the Town's Engineering Department at 250-708-2258 or engineering@viewroyal.ca.
