TRAFFIC ADVISORY

June 24 – 26, 2026

7:00PM to 2:00AM (NIGHT WORK)

NOTICE OF WORKS

CATCH BASIN MAINTENANCE

ISLAND HIGHWAY CORRIDOR

Please be advised that scheduled maintenance on the catch basins along the Island Highway corridor will take place on **Wednesday, June 24 to Friday June 26, 2026, between 7pm and 2am**. The work will be completed by private contractors working on behalf of the Town. **Expect delays as flaggers direct single lane, alternating traffic through the work zone.** Emergency vehicles will be treated with utmost priority and will have immediate access as required. **Please lower your speed and take extra precautions when traveling through the work area.**

What to Expect

- **Moving Work Zone:** This is a mobile operation. Crews and equipment will be moving progressively along Island Highway rather than staying in one fixed spot for the entire duration.
- **Temporary Noise:** The maintenance requires the use of hydro-vac equipment. While this machinery is loud, the noise impact on your specific property will be **temporary** as the crew moves along the corridor.

If you have questions or concerns regarding the above, please contact the Town's Engineering Department at 250-708-2258 or engineering@viewroyal.ca.

For a map-based road information, check <https://bc.municipal511.ca>.
