View Royal STRIDE

Seniors Transportation Reliable
Independent Dedication Enjoyment

Pacific Centre Family Services Association is looking for Volunteer Drivers. Help us, help seniors living in View Royal. We are launching a NEW pilot project to provide accessible, door to door transportation service for seniors to medical appointments and assistance with grocery shopping.

This project will focus on a volunteer driven, reliable, low cost transportation, one time per month service for those seniors residing in your community of View Royal.

“Neighbors helping Neighbors”

As a Volunteer Driver with STRIDE you will play an integral part in helping to alleviate the stress often associated with getting out to these much needed medical and social connections, ensuring they receive the necessary medical attention and have access to healthy foods.

Volunteer Drivers are required to have a reliable vehicle, be fully licensed with a current and clear driving record and three million liability. Drivers are expected to be patient, comfortable working independently, in good health and able to assist seniors with lightweight items such as a foldable walker with room to store during transport. A commitment to a minimum of 6 months providing two to three transports per month can make a big difference in a senior's wellbeing.

Volunteers will be reimbursed for their mileage

To apply please call or email: [Dori-778-677-3540](tel:778-677-3540) | dbodman@pcfsa.org

Volunteers will be asked to complete an application which includes two professional references, police record check, vehicle inspection and drivers abstract. Once the completed application is received an interview will be conducted, followed by an orientation and training prior to any service provision.
