Subject: petition re #9 Erskine lane

Dear Mayor and Council,

Please find attached a petition signed by 135 residents of Erskine Lane and Stoneridge . More signatures will be collected, however I wanted to get what we had to you before tomorrow's meeting. Basically, the petition asks Council to ensure that the developer of #9 Erskine Lane be required to:

widen Erskine lane

install a sidewalk and bike lane on Erskine Lane from Watkiss to the Galloping Goose prior to construction.

install traffic control on Erskine & Watkiss prior to construction

install traffic calming on Erskine prior to construction

leave a border of mature trees along the perimeter of the property

build a children's playground close by

build two stories of parking onsite and ensure sufficient parking for multi car families and visitors

Thank you for your attention and consideration.

Kathleen Gilbert
