LANE CLOSURE ADVISORY – REVISED DATES

MONDAY NOVEMBER 20th TO WEDNESDAY NOVEMBER 23rd, 2017

ATKINS ROAD FROM 201 ATKINS ROAD TO 244 ATKINS ROAD

Please be advised that Fortis BC will be carrying out a gas main installation on Atkins Road (from 201 Atkins Road to 244 Atkins Road), starting Monday November 20th until Wednesday November 23rd, 2017. Hours of work will be from 7:00AM to 4:30PM.

Lane closures with alternating traffic will be in effect.

Emergency vehicles will be treated with utmost priority and will have immediate access as required. Traffic Control Persons will be situated in the work zone to assist pedestrians and cyclists.

We recommend the use of alternate routes if at all possible due to the heavy traffic volumes on this roadway and the expected lengthy queues.

We ask that you lower your speed and use caution when travelling through the work zone.
