

CRD WATER SERVICES

WATER MAIN UPGRADE ADVISORY

ADMIRALS ROAD FROM MAPLEBANK ROAD TO ISLAND HIGHWAY/CRAIGFLOWER ROAD DECEMBER 2016 TO APRIL 2017

-UPDATE-

CRD Integrated Water Services will be replacing their water main on Admirals Road from Maplebank Road (just north of the Esquimalt municipal border) to the Island Highway/Craigflower Road intersection in View Royal starting in December 2016. The project was scheduled for completion by March 2017 but there have been delays due to unsuitable weather.

Paving of the new water main trenches on Admirals Road, from Hallowell Road to the Island Highway/Craigflower Road intersection, will take place during the daytime hours of 9:00AM to 3:00PM from Monday, April 24th to Thursday, April 27th, 2017, weather dependent. Traffic will be maintained in both directions with some minor delays along Admirals Road through the paving area.

CRD Water crews will be connecting the last section of new water main at the Island Highway/Craigflower Road/Admirals Road intersection, during the nighttime hours of 7:00PM to 1:00AM on Monday, April 24th, 2017. Traffic will be maintained in both directions with some minor delays for northbound traffic.

Traffic Control Persons will be situated in, and in advance of, the work zone to assist motorists, pedestrians and cyclists.
