TRAFFIC ADVISORY

WEDNESDAY, JUNE 6th, 2018

1271 BURNSIDE ROAD W

Please be advised that Allteck will be working on a BC Hydro pole on Wednesday, June 6th, at 1271 Burnside Road West. Work is scheduled from 8:30 am to 4:30 pm.

Traffic through the work zone will be single lane alternating as per MOTI's Traffic Control Manual for Work on Roadways, Figure 3.4.1. Emergency vehicles will be given immediate and priority access around the job site with the TCP's on site assisting as necessary.

In general, no pedestrians will be allowed into the work zone and all pedestrians will be routed around the work site by the TCP's on site. Traffic control devices will be used to maximum effect in order to keep pedestrians away from work areas.

We ask that you lower your speed and use caution when travelling past the work zone. The use of an alternate route is recommended.
