Just a suggestion to reduce the survey size. Rather than having a comments section after each question just have one comments section at the end of the survey.

Cheers

Hi Don,

Thanks so much for your quick review of the survey. It's much appreciated. I will share your comments with the team to see how we may be able to shorten the survey. This is a tricky one as we have nine policy sections to seek early feedback on.

Thanks again,
Leanne

Subject: Fw: Draft OCP Policy Survey

Hello Leanne

I did the test survey. It is very comprehensive and well done. My only concern is the length. If possible can we combine a few questions or take some out. I think some people may not have the patience to complete the entire survey. It took me about 20 minutes.

Cheers

Don Brown
