

**TOWN OF VIEW ROYAL
OFFICIAL COMMUNITY PLAN REVIEW
ADVISORY COMMITTEE MEETING
MONDAY, NOVEMBER 3, 2025 @ 7:00 PM
COUNCIL CHAMBERS**

AGENDA

- 1. CALL TO ORDER**
- 2. APPROVAL OF AGENDA**
(motion to approve)
- 3. MINUTES, RECEIPT & ADOPTION OF**
 - a) Minutes of the Official Community Plan Review Advisory Committee meeting held August 25, 2025, Pg. 2-4
(motion to adopt)
- 4. CHAIR’S REPORT**
- 5. PETITIONS & DELEGATIONS**
 - a) Community Living BC South Island Council Presentation on “Promoting Inclusive Housing in View Royal.” Pg. 5-12
- 6. BUSINESS ARISING FROM PREVIOUS MINUTES**
- 7. REPORTS**
 - 7.1 STAFF REPORTS**
- 8. CORRESPONDENCE**
- 9. NEW BUSINESS**
 - a) Council Resolution from the October 7th, 2025, Council meeting:
“THAT the Erskine Lane development amenity list as described in M. Fitzgerald’s email be shared with the Official Community Plan Review Advisory Committee for consideration for future like-size projects” Pg.13-21
 - b) Official Community Plan Objectives and Policies Survey Review.....Pg. 22-71
 - c) Committee discussion on a municipal medical clinic in View Royal
 - d) Official Community Plan Review and Update – Next Steps
- 10. TERMINATION**

TOWN OF VIEW ROYAL

MINUTES OF THE OFFICIAL COMMUNITY PLAN REVIEW ADVISORY COMMITTEE MEETING HELD ON MONDAY, AUGUST 25, 2025 VIEW ROYAL MUNICIPAL OFFICE – COUNCIL CHAMBERS

PRESENT: Mayor Tobias, Chair
Councillor Lemon
T. Allan
C. Harris
N. Holtum
M. Lloyd
K. Peatt
J. Priest
E. Willis

REGRETS: W. Abbott
K. Abraham

PRESENT ALSO: L. Taylor, Director of Development Services
L. Curtis, Community Planner/ Recording Secretary

5 members of the public
0 members of the press

1. **CALL TO ORDER** – the Chair called the meeting to order at 7:00 p.m.

2. **APPROVAL OF AGENDA**

MOVED BY: J. Priest
SECONDED: K. Abraham

THAT the agenda be approved as presented.

CARRIED

4. **MINUTES, RECEIPT & ADOPTION OF**

MOVED BY: J. Priest
SECONDED: K. Abraham

THAT the minutes of the Committee meeting held June 2, 2025, be received.

CARRIED

5. **CHAIR'S REPORT**

The Chair noted that Mr. Abbott has stepped down from the Committee due to personal reasons.

6. **PETITION & DELEGATIONS**

7. **BUSINESS ARISING FROM PREVIOUS MINUTES**

8. **REPORTS**

8.1 STAFF REPORTS

a) Project Scope and Timeline Presentation from the Director of Development Services

The Director of Development Services gave a presentation to the Committee that explained the revised project scope and timelines, and upcoming public engagement. The Director noted that Council wanted to receive some comments on the following motion from July 15, 2025:

THAT the Committee recommend to Council that the 2025-2026 Official Community Plan update include a policy statement that new development four-stores or greater should incorporate commercial or public use space.

The Committee members provided the following comments on the Council motion:

- increase the amount of commercial space in View Royal that benefits residents;
- consider bonuses or benefits for developers to provide commercial spaces within mixed use developments;
- consider mixed-use developments with only a portion of the first floor dedicated to commercial space and promote accessible units on ground level; and
- allow for greater flexibility in what types of commercial use could be permitted.

MOVED BY: J. Priest

SECONDED: E. Willis

THAT the Project Scope and Timeline Presentation from the Director of Development Services be received.

CARRIED

9. CORRESPONDENCE

a) Email dated June 16, 2025 from Councillor Mattson, Re: Western Gateway OCP Housing and Population Projections

The Committee discussed technical limitations to consider when redeveloping the Western Gateway, such as geotechnical work, historical interest, and riparian area assessments which may reduce the developable area of a property.

MOVED BY: E. Willis

SECONDED: J. Priest

THAT the letter dated June 16, 2025 from Councillor Mattson, Re: Western Gateway OCP Housing and Population Projections be received for information.

CARRIED

10. NEW BUSINESS

a) Draft Western Gateway Corridor Survey

MOVED BY: K. Abraham

SECONDED: J. Priest

THAT the Committee recommend the following feedback to Council for inclusion in the Draft Western Gateway Corridor Survey:

- provide a link to the Housing Needs Report in the preamble;
- add landmarks on the maps to allow for better orientation of survey respondents;
- remove re-affirming questions on density that were previously asked in the Community Growth Survey;
- revise the preamble to improve clarity and only include relevant information; and
- reduce the number of open-ended questions.

CARRIED

11. TERMINATION

MOVED BY: N. Holtum

SECONDED: E. Willis

THAT this meeting now terminate.

Time: 8:14 p.m.

CARRIED

CHAIR

RECORDING SECRETARY

Promoting Inclusive Housing for People with Developmental Disabilities

Presented by: The
Community Living BC
South Island Community
Council

Who are we?

Community Living British Columbia (CLBC) is a Crown corporation that receives funding from the BC Government to provide supports for adults with developmental disabilities.

CLBC serves 30,000 people across BC.

The number of people CLBC serves increases 4.5%/year.

The South Island Community Council (SICC) is a group of volunteers who work in partnership with CLBC to promote inclusive, accessible and culturally safe communities for the people CLBC serves.

Why are we here?

- More than 5,000 people with developmental disabilities in BC are looking for homes of their own.
- Many live with aging parents because there is no where for them to go.
- Some of us are unhoused.
- We make up an estimated 23% of all BC residents with disabilities receiving financial assistance (PWD) from the government.
- Yet we are not provided dedicated deep subsidy units in existing or new developments specifically designed to support this low-income population.
- **We need dedicated, subsidized housing in View Royal.**

This is my story

The last institution in BC for people with disabilities closed in 1996.

People like me were locked away from community. Many people still think we are 'looked after' somewhere else.

Inclusive housing is important to me because we can't go back in history.

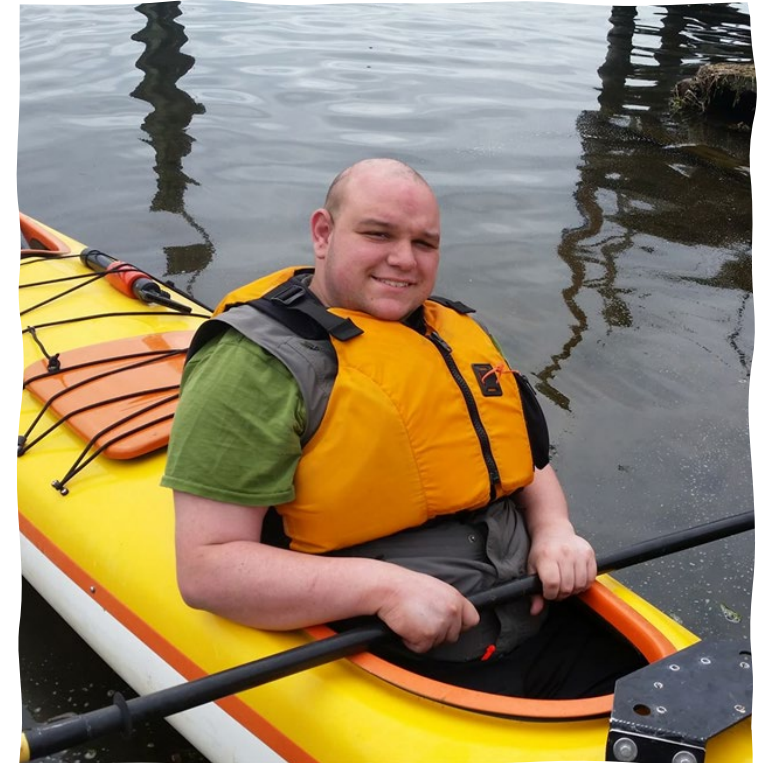

I don't want to be segregated. I want to live a normal life.

I want to live independently on my own terms in my community with everyone else.

Nathan Bodie
SICC Member, View Royal resident

This is our story

Catriona and Asher
SICC Members, View Royal residents

Chorus Apartments in Surrey, BC

- a pioneer project combining independent living units for people with developmental disabilities with units of affordable rental housing
- 71-unit inclusive apartment and is home to South Surrey families, seniors, people with developmental disabilities, essential workers, and students.
- features 20 units, including three long-term lease homes, for people who have developmental disabilities, helping them stay in their community, close to family and friends.

The inclusive nature of Chorus means that the **tenant mix reflects the community** and includes those who are being priced out of their neighborhood or who have historically not been included

<https://keytohomebc.ca/>

<https://uniti4all.com/chorus/>

"It has changed my life in ways I could not have imagined. I have gained a new independence." Chorus tenant

How can we work together?

CLBC provides funding to support people with developmental disabilities to live successfully in their own homes.

People we support receive guaranteed shelter allowance of \$500/month from the BC Government.

View Royal has the power to include the housing needs of Nathan and Asher, people served by CLBC, in your official community plan.

CLBC has the power to pay for the support Nathan and Asher need to live independently, on their own terms, in their community.

We need your help!

Question to you:

How can the South Island Council and the Town of View Royal work together to include the unique needs of people with developmental disabilities in housing plans ongoing?

Please contact:

clbc.housing.leads@gov.bc.ca

THE BLUEPRINT RESIDENCES

15-21 Erskine Lane, View Royal, BC

Update to Mayor and City Council

The Making of The Blueprint Residences

From groundbreaking to completion, this project reflects the scale, complexity, and investment dedicated to building our community.

Meeting Housing Needs

This project directly addresses the city's urgent need for housing, creating opportunities for residents at all stages of life.

- 336 new homes added to the town's rental supply
- 260 units occupied
- 34 dedicated affordable housing units, 28 of those already leased to qualifying tenants
- Range of unit sizes including 1, 2, and 3 bedroom for families, couples, and individuals
- High quality, energy-efficient construction

Active and Sustainable Transportation

We're making it easier for residents to choose walking, cycling, and transit over cars.

- Bike share program on-site for residents
- 1 year transit passes provided with each new unit to encourage ridership
- Seamless connection to galloping goose bike trails and new bus-stop infrastructure
- Improved surfacing on pathway connecting Erskine Lane to Hospital Way

Fostering Community Through Outdoor Amenities

A healthy community isn't just about housing, it's about places for people to connect, play, and grow.

- 120 m² playground for children and families
- Community garden for local sustainable food and connection
- Shared outdoor amenity spaces designed to foster a sense of belonging
- Outdoor dog-run for tenants
- Preserved as many mature trees as possible and installed numerous new trees and landscaping features to balance density with green space

Supporting Local Businesses

We want our residents to be regulars at the local coffee shop, the corner grocer, and other neighbourhood services because strong communities thrive when local businesses do.

- Partnerships with nearby cafes, restaurants, shops, and services
- Cross-promotions and co-marketing campaigns with residents to drive the local economy
- Building foot traffic and loyalty amongst neighbourhood businesses
- Fostering the idea of a truly walkable community

Infrastructure Upgrades for the Entire Community

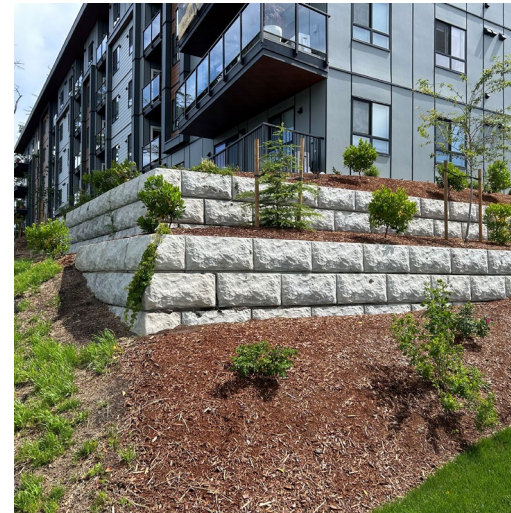

We didn't just build homes – we built lasting improvements that strengthen the city's infrastructure for decades to come.

- New upsized watermain installed along Erskine Lane to service new and future buildings
- Four-way intersection lighting installed at Watkiss Way complete with pedestrian crossing buttons and mounts.
- 4 new hydrants installed
- 3 new sanitary manholes installed
- Roadworks, including: 850m² of new pavement (full road-width), bidirectional bike lanes and road markings, and concrete bus pads w/ infrastructure to install shelters

Upcoming Council Involvement

- During construction there were several minor changes to the retaining walls, refuse bin enclosures, and overall site layout
- We will be requesting Council approval for retaining walls that do not meet the zoning bylaw height and separation distance regulations, as well as the refuse bin enclosures that exceed the zoning bylaw's dimension limits
- We will also be seeking approval for subtle changes to the overall site plan in terms of parking lot layout, pedestrian connections, and garden layout

THANK YOU

Together we have built a project that isn't just for today's residents – it's a foundation for a stronger and more connected View Royal tomorrow.

INFO@WESTURBAN.CA

Policy Review Survey

The intent of this survey is to seek feedback on preliminary draft objectives and policies prepared for the Official Community Plan Review and Update. It is important to note that the content is in 50% draft form, and further review will be completed prior to presenting a 'first draft' of the Official Community Plan. The Plan is made up of nine policy chapters, each with objectives and policies that guide how land is used, what amenities and services are provided, and how community needs are met. For this survey, the project team has summarized the objectives from each policy chapter into short statements and focused on reviewing the most impactful new policies. This survey does not consider all the policies in the 2025 – 2026 Official Community Plan Review. In the Spring, the first draft' of the Plan will be available for review and public comment.

Completion of this survey and the feedback you provide will be used to update and refine the draft objectives and policies in the survey, as well as other policies that are not shown. Completion of this survey is optional and anonymous. You are not required to complete all questions. Skipping questions or providing partial answers is okay. An incomplete survey is still valuable and may be submitted. The survey will be open until **November 30, 2025**.

To demonstrate the Town's gratitude for your participation, you will be prompted to enter a draw to win a \$15 gift certificate to a local business in View Royal upon completion of the survey. Participation in this draw is optional. The prize winners will be contacted after the survey closes.

Disclaimer: The Town of View Royal is collecting information to inform the review and update of its Official Community Plan. Participation in this survey is not mandatory. As part of this process, the Town of View Royal is collecting limited personal information for data analysis with respect to engagement and consultation. The data collected will help identify gaps in potential participants in our community that are missing or underrepresented.

Official Community Plan: Vision, Objectives, and Policies

The Official Community Plan is a high-level policy document that helps local governments make informed decisions with respect to land use, climate action, parks and recreation, economic development, service delivery, and other broad community interests. The Plan is made up of a Vision Statement, Goals, Objectives, Policies, and Actions; each of these terms are used throughout the Plan to communicate the Town's direction.

The Vision Statement is an aspirational and forward-looking statement that considers where we want to be at some point in the future.

The Goals support the Vision Statement and identify key foundations for what is important to our community. Goals are forward looking and support our Vision for where we want to be in the future.

Objectives support the Goals and provide more refined direction in how we are to achieve the goals. The Objectives identified in the Official Community Plan can change, as community needs and interests change. Objectives establish key policy direction and anchor each of our policy chapters.

Policies are guiding principles that provide a course of action, a consistent decision-making approach, and help achieve desirable outcomes in respond to specific situations.

Actions are detailed steps for achieving the Goals and Objectives outlined in the Plan and are included in the Implementation and Action Plan. Each Action contains information on the task, goal and outcomes, timing, budget, and department responsible for leading this initiative. Actions often require or result in the creation of new Council policies, bylaws, or may require further studies and reports.

Land Use & Urban Design

Summary of Land Use & Urban Design Objectives:

Create a more complete and sustainable community by encouraging new compact housing near amenities, services, and areas well serviced by transit, that considers the scale and existing character of established residential neighbourhoods.

01. Indicate your level of support for the overall direction of the draft Land Use & Urban Design objectives summary:

THANK YOU!

Thank you for completing the Policy Review Survey! If you have additional questions, please contact project team at ocp@viewroyal.ca

PRIZE DRAW

The Town is offering a grand prize for those who complete this survey as part of the OCP review and update. Collection of your personal information will be required and will be completed under Section 26 (D & E) of Freedom of Information and Protection of Privacy Act (FOIPPA). Information collected will be used solely for awarding a prize(s) to participants. A prize(s) of \$15 will be awarded to a local business in View Royal. Collection of the prize must be in-person at View Royal Town Hall: 45 View Royal Avenue, Victoria, BC, V9B 1A6.

To complete your entry, please fill in your information below. This is voluntary and this information is not required to complete the survey. If you are 18 years or younger, please have a parent or guardian provide their information.
