2020 Application for a Town appointment to a Sub-Committee

From time to time, sub-committees may be formed to consider items pertinent to the work of the Town's Advisory Committees. A list of potential sub-committee members is maintained in order that interested participants can be readily convened should a sub-committee be approved by Council. The list is updated annually and members of the public are asked to put their name forward if they would like to volunteer for a potential sub-committee position.

Please check the area(s) of interest of your choice.
