YARD AND GARDEN WASTE Drop Off Facilities

Operated in partnership with:

Ellice TRIO
RECYCLE LTD. LANDSCAPE SUPPLY

JUNE 2016

Residents of View Royal and Esquimalt can drop off yard and garden waste for composting at Trio Landscape Supply, 109 Hallowell Road, or at Ellice Recycle Ltd., 524 David Street. The facilities are operated by Trio and Ellice Recycle under contract to the Township of Esquimalt. View Royal in turn has a cost sharing agreement with Esquimalt.

There is no user fee to drop off yard and garden waste for residents of View Royal and Esquimalt. Proof of residency is required by showing the facility operator valid vehicle registration. Residential decals for vehicle windshields are available at both facilities for those residents who use either facility regularly.

Should a resident require assistance with hauling materials from their residence to either facility, the resident must accompany the person dropping off the materials so that they can show their proof of residency. Notes or letters identifying materials as being from View Royal or Esquimalt properties will not be accepted.

For a fee, both facilities accept materials from non-resident property owners hauling from a residential or commercial property or from residents of the municipality who operate commercial hauling or yard and garden businesses.

Mulch and compost, which is derived from the yard and garden waste processed at the Ellice Commercial Diversion Facility, are available for purchase at Trio Landscape Supply.
