

TOWN OF VIEW ROYAL

The Town of View Royal is a growing residential community in the Greater Victoria area with a population of approximately 12,000. Our waterfront community has scenic views of Esquimalt Harbour and Portage Inlet, as well as excellent parks and trails, including the Galloping Goose Regional Trail and Thetis Lake Regional Park. Ten minutes from downtown Victoria, View Royal's central location also provides good highway access to the Western Communities and to the Saanich Peninsula, including BC Ferries and the Victoria International Airport.

ENGINEERING INTERN

1 Seasonal Full-Time Position

\$23.94/hr plus 10% in lieu of benefits

16-week term (negotiable): May 2 to September 1, 2023

Monday – Friday, 8:30AM - 4:30PM

Reporting to the Director of Engineering, under the close supervision of the Deputy Director of Engineering, the Engineering Intern collects field data inventory using GPS, monitors and completes condition assessments for maintenance of Town infrastructure, assists with field or office projects and Engineering investigations, scans and files Engineering drawings and documents, and works with the Engineering Technologist to integrate GPS information into the existing GIS platform.

The ideal candidate for this position will be highly motivated with experience with ArcGIS; mapping grade GPS would also be beneficial.

In addition, the following qualifications are required:

- Current enrollment in a Civil Engineering program at a recognized post-secondary institution;
- Valid Class 5 BC Driver's License.

A detailed job description is available at www.viewroyal.ca.

Applicants should submit a detailed resume, including cover letter and references, which reflects their knowledge, skills and abilities relevant to the position, no later than **4:30pm, Friday, March 3, 2023** to:
