### Lawn & Garden Waste Disposal

For lawn and garden waste clean-up this spring, View Royal residents are encouraged to take advantage of two options for disposing of your yard waste:

- **Canteen Composting** is located at 605 Canteen Road. Canteen Composting is open Monday-Saturday, 8 am to 5 pm. For more information, please call 250-883-8683.
- **Ellice Recycle** is located at 524 David Street off Bridge Street in Victoria. Ellice Recycle is open 7 days a week. For more information, please contact the facility by phone at 250-386-4342 or visit [www.ellicecycle.com](http://www.ellicecycle.com).

There is no charge at the gate to drop off yard and garden waste for residents of View Royal and Esquimalt. Proof of residency is required by showing the facility operator valid vehicle registration. Residential decals for vehicle windshields are available at both facilities for those residents who use either facility regularly.

If you are a resident and someone is assisting you by hauling your compost, you must accompany their vehicle to the compost facility. Non-resident property owners hauling material from a residential or commercial property, even if the property is in View Royal or Esquimalt, will be charged a fee.

### New Playgrounds in View Royal Park

There are two new playground areas at View Royal Park that are now open!

The new equipment includes bridges, climbing components and slides, and features two separate areas; one for children ages 2 to 5, and the other for ages 5+.

Crews have left a bit of fencing to protect areas where landscaping still needs to be completed. Please refrain from playing in these areas until everything is finished.

All playground equipment is ready for families to enjoy!
