Centennial Park Playground Replacement

This spring the Engineering & Parks Department is replacing the playground equipment at Centennial Park. As a result of the recent Request for Proposal, the Town received many options for new playgrounds. Staff have narrowed it down to four options and are now collecting feedback from the public on what playground option you would choose for the park. Have a look at the four playground options at www.viewroyal.ca and then [submit your choice by April 25!](#)

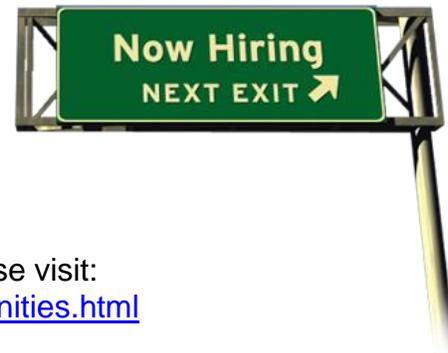

Summer Job Opportunities

This summer, the Engineering & Parks Department is seeking to hire students for the following full time seasonal positions:

- GIS Intern (1 position)
- Parks Worker – Student (2 positions)

For more information and instructions on how to apply, please visit:

<http://www.viewroyal.ca/EN/main/town/employment-opportunities.html>

Lawn & Garden Waste Disposal

For lawn and garden waste clean-up this spring, View Royal residents are encouraged to take advantage of two options for disposing of your yard waste:

- **Canteen Composting** is located at 605 Canteen Road. Canteen Composting is open Monday-Saturday, 8 am to 5 pm. For more information, please call 250-883-8683.
- **Ellice Recycle** is located at 524 David Street off Bridge Street in Victoria. Ellice Recycle is open 7 days a week. For more information, please contact the facility by phone at 250-386-4342 or visit www.ellicecycle.com.

There is no charge at the gate to drop off yard and garden waste for residents of View Royal and Esquimalt. Proof of residency is required by showing the facility operator valid vehicle registration. Residential decals for vehicle windshields are available at both facilities for those residents who use either facility regularly.

If you are a resident and someone is assisting you by hauling your compost, you must accompany their vehicle to the compost facility. Non-resident property owners hauling material from a residential or commercial property, even if the property is in View Royal or Esquimalt, will be charged a fee.

Welland Legacy Park Work Party

Come join other volunteers from our community at the next Work Party at Welland Legacy Park & Community Orchard!

Date: Sunday, April 22

Time: 1:00pm to 4:00pm

Location: 1215 Stancil Lane

What to Bring: a mug for tea, clothes appropriate for the weather, garden gloves and a favourite tool (if you have one)

As spring progresses, some of the usual suspects have turned up in the orchard: quack grass, thistle and other sneaky weeds. As the next work party won't be until May 20th, it would be great to have some extra hands to really knock back those vigorous invaders and get set up for the spring. The weather is looking like it will be lovely, so it should be a nice afternoon of chatting and pulling in the orchard.

As always, tea and snacks will be provided for volunteers. Gloves and tools are also provided if you do not have your own. Please keep in mind that parking is available but limited; walk, ride or bus if possible!
