Fall & Winter Weather Reminders

As the season changes, the Town of View Royal's Engineering Department would like to remind residents to be prepared for the rain, snow and inclement weather.

Property Maintenance

- 🍁 Clean your roof gutters and dispose of yard waste (branches and leaves).
- 🍁 Keep on-street drains and culverts near your home clear of leaves and debris to avoid flooding issues. If standing water is still an issue after removing debris, contact 250-708-2258.

Garbage & Recycling

- 🍁 Be sure to secure all garbage and recycling bins to prevent debris from blowing around the neighbourhood on windy days. In the case debris does get loose, it is the responsibility of the property owner to clean it up.
- 🍁 In the event of a heavy snowstorm or icy road conditions, the garbage collection contractor may not be able to service certain customers due to safety or access reasons. All missed garbage will be collected as soon as it is safe to do so.

Snow Clearing

- ❄️ Roads are cleared in the following order:
 - 1st Priority = Major Roads
 - 2nd Priority = Steep Hills
 - 3rd Priority = Collectors, School and Playground Zones
 - Lowest Priority = Local Roads
- ❄️ During prolonged snowfall, crews may need to continue maintaining higher priority roads before attempting lower priority ones.
- ❄️ In the event of snowfall, please do not park on the roadway in order to ensure snow-clearing equipment can navigate the streets safely. Owners of vehicles parked on the roadway can be subject to fines and/or towed away at the owner's expense.
- ❄️ When clearing snow in your driveway or private road, be sure to pile the snow to the left hand side (facing your home) so the snow plow does not plow excess snow across your driveway or private road access.
- ❄️ Property owners must clear snow and ice from sidewalks adjacent to their property. Be sure to arrange for help in advance if you plan to be away from your home or if you require assistance with snow and ice removal.

Upcoming Meetings

December 4, 2018	Council Meeting 7:00pm, View Royal Town Hall
December 11, 2018	Committee of the Whole Meeting 3:30pm, View Royal Town Hall

The meeting duration will vary according to the agenda. Council agendas are normally posted on the Friday prior to the meeting on the [Agendas & Minutes](#) page of the website. [Click here for more information about Council Meetings.](#)

Abandoned Boat Program

Abandoned and neglected boats impact the health and safety of our shorelines, especially if fuel, chemicals or garbage are leaking into the marine environment.

If you see a boat that looks abandoned, please contact the CRD.

See one? Say something.

If you see a boat that looks abandoned, please let us know.

Snap a photo, jot down the boat's location (or GPS coordinates) and send these details to infoline@crd.bc.ca so that we can potentially remove and dispose of it safely.

Abandoned boats impact the health and safety of our shorelines, especially if fuel, chemicals or garbage are leaking into the marine environment.

For more information, visit:
www.crd.bc.ca/boat

Licensing Groundwater in B.C.

If you are using groundwater (from a well or dugout) for non-domestic uses you are legally required to submit a licence application.

A licence is required by law and will:

- *Give you rights to a specific volume of water when available to support your business*
- *Protect your usage from new users and future developments and;*
- *Help protect your access to water in times of water scarcity.*

To start your application visit:
www.frontcounterbc.ca or in person at:
FrontCounter BC
Suite 142, 2080 Labieux Road
Nanaimo, B.C.

Or contact FrontCounter BC at:
T: 1 250 751-7220
E: FrontCounterBC@gov.bc.ca
For more information visit:
