Six Mile Corridor Open House

During the 2019 budget deliberations, Council recommended that the Town hire a consultant to study the Six Mile corridor from the Island Highway to the Trans-Canada Highway. As part of this process, we would like to engage the public at an open house to collect issues of concern from residents regarding traffic flow along Six Mile Road.

DATE: Wednesday, May 1, 2019
TIME: 5:00 pm – 7:00 pm
WHERE: Town Hall Council Chambers
45 View Royal Avenue

Once the issues have been considered, the consultant will develop solutions for the Six Mile corridor. We will then hold a second open house where the public will be invited to provide feedback on the proposed solutions.

Lawn & Garden Waste Disposal

For lawn and garden waste clean-up this spring, View Royal residents are encouraged to take advantage of two options for disposing of your yard waste:

- **Canteen Composting** is located at 605 Canteen Road. Canteen Composting is open Monday-Saturday, 8 am to 5 pm. For more information, please call 250-883-8683.
- **Ellice Recycle** is located at 524 David Street off Bridge Street in Victoria. Ellice Recycle is open 7 days a week. For more information, please contact the facility by phone at 250-386-4342 or visit www.ellicerecycle.com.

There is no charge at the gate to drop off yard and garden waste for residents of View Royal and Esquimalt. Proof of residency is required by showing the facility operator valid vehicle registration. Residential decals for vehicle windshields are available at both facilities for those residents who use either facility regularly.

If you are a resident and someone is assisting you by hauling your compost, you must accompany their vehicle to the compost facility. Non-resident property owners hauling material from a residential or commercial property, even if the property is in View Royal or Esquimalt, will be charged a fee.
