### View Royal Garden Club General Meeting

The View Royal Garden Club will hold its general meeting on Wednesday, September 25, 2019 at 7:30pm at Esquimalt United Church, 500 Admirals Rd. A room change for this meeting only; the entrance is the lower door off the church parking lot on Admirals Road. The topic this month will be "Observations of a 15-year garden volunteer at the RBC Museum Native Plant Garden after its first 50 years".

The Native Plant Garden, containing more than 400 species of BC's native plants, sits directly in front of the museum, yet is undervalued by area residents and even museum visitors. Michael Fox, a non-botanist volunteer, will try to kick-start your interest in this local treasure with a brief history of its colourful origins and the subtle changes he has observed in weekly visits. Further information is available at [viewroyalgardenclub.wordpress.com](http://viewroyalgardenclub.wordpress.com).

Visitors and new members are welcome
