View Royal Council Endorses West Shore RCMP Facility Expansion Project

At the January 20, 2026, Regular Meeting of Council, View Royal Council endorsed the West Shore RCMP Facility Expansion Council Validation Report and supported next steps to move forward with construction of the project. This follows Council's December 2025 approval of the funding mechanism for the project through the Capital Regional District.

Built in 1966 and expanded in the late 1990s, the facility has outgrown its capacity. A new, modern post disaster facility is needed to support growing policing needs and serve the RCMP for the next 25 years.

This endorsement confirms the Town's support for the Validation Report, which found the expansion can be delivered for \$87.5 million while meeting RCMP requirements for operations, safety, accessibility, and sustainability.

New Homeowner with a Suite?

Before purchasing a home with a suite, confirm it's permitted. A suite is permitted if it has a valid Type 2 Secondary Suite Permit or was created through a building permit. Permits do not automatically transfer. Type 2 permits must be renewed by the deadline. If not renewed, the homeowner will need to obtain a building permit to bring the suite up to the current BC Building Code or decommission it.

Statistics Canada is hiring for the 2026 Census!

Statistics Canada will conduct the next census in May 2026 and is hiring for approximately 32,000 census jobs across Canada. Census workers play a vital role in helping to collect high-quality demographic, social and economic data to help provide an accurate statistical portrait of the country. The data informs decisions about child care and education services, health care, public transportation, housing, community planning, and a wide range of programs that support Canadians.

Join the 2026 Census team for meaningful work and community impact.

Important to Know:

- Pay is \$25.87 per hour for non-supervisory positions and \$31.32 per hour for supervisory positions, plus authorized expenses.
- The time frame for census jobs is between March and July 2026, depending on the position and location.
- You must be available to work flexible hours, including days, evenings, and weekends.
