

# Chancellor Park Playground Upgrades

## Frequently Asked Questions

**1. What's a “universally accessible playground”?**

The playground upgrades will be a universally accessible playground, providing improved access to play for children and families of all abilities. Accessible play spaces ensure persons with disabilities can actively participate and play. The features, materials and layout are designed to meet the needs of all.

**2. When will improvements be made?**

Construction is planned for 2024.

**3. Why is Chancellor Park being updated?**

As the Town grows, park infrastructure needs to be enhanced or replaced to provide safe and functional recreational opportunities for families to enjoy. The objective of the playground replacement project in Chancellor Park is to increase usage and enjoyment by providing a range of passive and active recreational opportunities for people of all ages, abilities and interests.

**4. How much will the playground upgrades cost?**

The 2024 capital budget for improvements is \$300,000.

**5. Will my taxes increase?**

No. The playground upgrades will be funded by Parks Improvement Reserves, Development Cost Charges and Casino Reserve.

**6. How can I provide input?**

You can provide input through the online survey or by attending an open house:

- **Online Survey** (deadline Sunday, June 9, 2024)
- **Open House - Wednesday, June 5, 2024**  
Eagle Creek Quality Foods (upstairs)  
5:00pm–7:00pm
- **Open House - Saturday, June 8, 2024\***  
Chancellor Park  
10:00am–12:00pm noon
